EXPERIENCE

THE TOPPS COMPANY INC. Graphic Production Assistant

June 2015-Present - New York, NY

At Topps, a leading producer of sports and entertainment cards, I am responsible for assisting the prepress manager with departmental goals, objectives, and deadlines, as well as multiple design projects for marketing and internal use.

G3 COMMUNICATIONS Graphic Design Intern

June 2014-September 2014 - Hasbrouck Heights, NY

I worked closely with the Creative Director and Graphic Designer on projects including white pages, presentations, infographics, and much more. I continued to work with G3 Communications as a freelance designer.

RESEARCHCONNECTION Art Director

November 2014-May 2015 - Vestal, NY

At ResearchConnection, a Binghamton University based start-up centralized in University research, I was responsible for creating and overseeing art and design related projects including marketing materials.

BU LIBRARIES Graphic Designer

February 2014-May 2015 - Vestal, NY

Re-designed floor plans for the three University libraries, totaling 10 floors. Created on Adobe Illustrator for print and web purposes. I also worked with the library dean and photographer on additional projects.

BU PIPE DREAM Assistant Design Manager

September 2014-May 2015 - Vestal, NY

Responsible for designing at least one section per issue. Typically I designed the sports section, which required me to collaborate with the sports department on layout, photograph, and design.

BU PIPE DREAM Graphic Design Intern

February 2014-May 2014 - Vestal, NY

At Pipe Dream, a student-run, bi-weekly newspaper, I worked under a deadline to help design and layout each issue at production. I also created infographics and edited photographs as needed.

BINGHAMTON UNIVERSITY Teaching Assistant

February 2014-May 2015 - Vestal, NY

Teaching Assistant for ARTS 305, ARTS 310 and ARTS 315. I assisted professors during lectures and graded assignments. Provided constructive feedback during critiques to help students with design projects.
